The above petition has been approved. Since the petition indicates that the foreign workers will not require a visa to enter the U. S., we notified the listed port of entry or pre-flight inspection office. You may also send the tear-off bottom part of this notice to the worker(s) to show the approval. However, THIS FORM IS NOT A VISA AND MAY NOT BE USED IN PLACE OF A VISA for persons requiring a visa.

Petition approval does not authorize employment. When the workers are granted status based on this petition they can then work for the petitioner, but only as detailed in the petition and for the period authorized. Please contact the IRS with any questions about tax withholding.

If circumstances change, the petitioner can file Form I-924 to have us notify another port of this approval. If any of the workers are already in the U.S. the petitioner can file a new Form I-129 to seek to change or extend their status based on this petition. Changes in employment also require a new petition. Include a copy of this notice with any other required documentation.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa, for admission to the United States, or for an extension, change, or adjustment of status.
